

Tolecut[®] Touch-Up System

DRY

The most advanced and smart system for taking care of dust nibs on topcoat finishing.

Tolecut Touch-Up System utilizes state of the art Dry Lube technology to prevent both loading and deep scratches. Nibs and runs can be eliminated effectively and efficiently by Tolecut manually with either Tolecard or Toleblock. Speedy and extremely uniform finishes can be removed easily by Buflex or any micro finishing compound.

- Eliminates Dust Nibs & Paint Runs
- Fast & Efficient Cutting Power
- Extremely Shallow Scratches
- Ideal for Waterborne and High Solid Paint Systems
- Dry Application Allows Easy Monitoring of Working Area
