

PIG® Ultra-Duty Adhesive-Backed Grippy® Floor Mat

GRP36201 Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring, 3' W x 50' L, 1 roll

Hassling with rubber-backed or rental mats? Upgrade to our super-safe, adhesive-backed ultra-duty floor mat. Absorbent and versatile, this adhesive floor mat creates a safe, slip-resistant walking surface in entrances, aiseways, and wet areas like doorways, breakrooms, loading docks, and under fountains or beverage stations. It absorbs water, oil, and grease, traps dirt and salt, dries quickly, and prevents moisture from reaching the floor—ensuring safety and cleanliness with unmatched performance.

- 3' x 50' mediumweight roll allows you to customize the amount of walk off and floor coverage you need to provide a high-traction walking surface in wet problem spots for customers and employees; replaces outdated rental and rubber-backed floor mats and rugs
- Place in doorways and entrances, walkways and aiseways, transition areas, breakrooms and cafeterias, along produce walls or floral displays, on production floors, ramps and loading docks, beneath water fountains, ice machines and beverage stations or under liquid hazard areas
- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or ripples that cause slips and trips
- Dries out quickly; liquidproof barrier layer prevents moisture from soaking through to the floor
- Absorbs water, oil and grease and traps dirt and salt to keep it from being tracked around
- Sticks to the floor with a super-tight grip, but peels up easily without leaving a residue or damaging floors
- Weighs less than rental and rubber-backed mats for less hassle, saves you up to 50% per year on rental contracts and has a lower environmental impact
- Easy to clean: you can sweep, vacuum, mop, use your shop/wet vac or run your floor scrubber over Grippy Mat and it won't budge
- Stays in place for up to 3 to 6 months, depending on conditions and traffic patterns

- The thinnest commercial floor mat you can buy: no rippled edges to obstruct doors or create tripping hazards. ADA compliant for wheelchairs and walkers; carts and pallet jacks roll right over it
- Sticks to most commercial floor surfaces including concrete, vinyl, linoleum, ceramic tile, quarry tile and laminate flooring
- Tested and Certified by the National Floor Safety Institute (NFSI): high-traction surfaces such as PIG Ultra-Duty Grippy Mat have been proven to reduce slip-and-fall claims by as much as 90%
- See Resources & Downloads section for product use guidance

Item#	Description	Dimensions	Weight
GRP36201-BK		3' W x 50' L	12.6 lbs.
GRP36201-GY		3' W x 50' L	12.6 lbs.

Metric Equivalent:

Item#	Description	Dimensions	Weight
GRP36201-BK		91cm W x 15.2m L	5.7 kg
GRP36201-GY		91cm W x 15.2m L	5.7 kg

Specifications

Absorbency Range	1 - 9.9 gal.
Dimensions	3' W x 50' L
Mat Weight	Mediumweight
Absorbency	Up to 4 gal. per roll
Brand	PIG
Category	Grippy® Ultra-Duty Absorbent Mat
Flammability Specifications	Flame Resistant - Will melt and self-extinguish
Fluid Absorbed	Water; Grease; Oils
Indoor/Outdoor	Indoor Use
Incinerable	Yes
Industry	Commercial Facilities/Retail
Intended Use	Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring
Storage Temp Range	Store between 32°F and 120°F

Temperature Limit	Surface temps from 55°F to 120°F
Traffic	Heavy Foot Traffic; Carts & Equipment
UV Resistant	No
Sold as	1 roll
Weight	12.6 lbs.
# per Pallet	28
Composition	Absorbent: Polypropylene Adhesive Backing: Proprietary Adhesive Material
UNSPSC	47131901
Pigalog® Page Number	Page 247

Metric Equivalent

Absorbency	Up to 15.1 L per roll
Weight	5.7 kg
Dimensions	91cm W x 15.2m L

Disclaimers

[Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats](#)

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.

Absorbents Notice

All absorbents take on the properties of the liquids they have absorbed. When handling used absorbents, you must utilize all

necessary safety precautions that are required to safely handle the liquid which has been absorbed.
