

WHEN VERSATILITY IS KEY

The Norton Bear-Tex line of non-woven pads, discs and rolls feature a special coating process that ensures the grain is continuously exposed for a superior, consistent cut when scuffing. Perfect for fine finishing and surface preparation in a wide range of applications.

The premium Norton Bear-Tex Thin-Flex products are exceptionally flexible yet durable, and are perfect for contoured surfaces and tight spaces.

Color Coding and Application

Maroon (320/400)

- Use before primer and on primed surfaces
- Quick and aggressive cut
- Tear-resistant

Gray (800/1000)

- Use for final scuffing of blend panels
- Quick cut, uniform finish
- Very flexible, yet tear-resistant

Gold (1000/1200)

- Use for fine finishing and clear blend prep
- Ideal for pearls and metallics

White (Nonabrasive)

- Use for surface cleaning and detailing
- Ideal for all materials and surfaces

QUALITY THAT PAYS[™]

NORTON

SAINT-GOBAIN

BEAR-TEX[®]

NON-WOVEN PADS, ROLLS AND DISCS

The competition hasn't even scratched the surface when it comes to performance like this.

When you use a Norton Bear-TEX pad, you want it to grab what you're scuffing. You want it to cut fast and last long. That's what you get with top-performing Norton Bear-TEX pads. The perfect mix of consistently-graded grain in an advanced resin system makes for an amazingly fast cut with a finish that's noticeably better than other pads. What does this mean for you? A super fast cut without wild scratches. Whether using a Norton Bear-TEX maroon pad for an aggressive cut, a Norton Bear-TEX gray pad for a fine scratch or a Norton Bear-TEX gold pad for pearls and metallics, you won't find a better pad.

FEATURES & BENEFITS

- High-quality non-woven fiber lasts longer than competitive pads
- Even grain distribution on two sides results in a very consistent scratch pattern, and delivers extra long life on both sides
- Available in a wide range of grits for every step in the paint preparation process
- Can be used wet or dry for maximum versatility in all applications
- Rolls are perforated every 3" for easy tearing for just the size needed
- Perfect for use with Norton Scuff Gel to clean, degrease and abrade in one step
- Thin-Flex Pads offer extraordinary flexibility gets into hard-to-reach areas and on contoured surfaces
