PRESTA'S COMMITMENT TO EXCELLENCE

Presta® Products has been manufacturing high-quality, specialty finishing and cleaning products since 1953. Our professional-grade products – such as compounds, detailing chemicals and accessories – are uniquely formulated to handle anything our customers need.

From stem to stern, Presta's complete line of marine products is designed to keep boats, yachts, watercraft or RV's clean and protected. From gel coat to painted

surfaces, glass to metal, vinyl to plastic – Presta has the professional line of products needed to get the job done safely and effectively.

Our commitment to the market runs deep, with partners ranging from OEMs to distributors to marinas and campgrounds. We are dedicated to delivering exceptional market expertise and high-performing products to the market.

We specialize in servicing three primary customers: Original Equipment Manufacturers, the Professional Aftermarket and the Retail Aftermarket.

Each group has its own unique needs and we dedicate ourselves to solving their problems. From the builders to the detailing professionals to the weekend sailors and campers, Presta brings its years of dedication to bear on every solution.

Our products are:

- Born in a professional lab to offer high quality and consistent performance
- Water-based and VOC compliant
- Available in a variety of sizes and packaging for convenience
- Dilutable for maximizing economy

At Presta, we're about more than just selling products. We're about working with our customers to create solutions that extend the years of enjoying these large investments.

EFFECTIVELY REMOVES DEEP SCRATCHES AND ACHIEVES A HIGH-GLOSS FINISH

PMC™ COMPLETE COMPOUND

This innovative formula removes difficult P600 and finer sand scratches and heavy oxidation. PMC™ Complete Compound is ideal for use on fiberglass, gel coat and painted surfaces. The water-based formula makes for quick and easy cleanup, and it contains no waxes, fillers or silicones.

1 GAL. #163001

Use with Presta **White Wool Pad #810176** or **Black & White Wool Pad #890146**

Size	8 fl oz	Order #	163008
Size	1 qt.	Order #	163032
Size	1 gal.	Order #	163001

PMC FINISHING POLISH

Innovative, diminishing abrasives polish the surface for a flawless, swirl-free finish. The water-based formula makes for quick and easy cleanup, and it contains no waxes, fillers or silicones.

1 GAL. #163501

Use with Presta **Blue Wool Polish Pad #890144** or **Grey Foam Polish Pad #890172**

Size	8 fl oz	Order #	163508
Size	1 qt.	Order #	163532
Size	1 gal.	Order #	163501

Saves time, labor and money with unprecedented cut and gloss performance.

PMC™ PRODUCTION COMPOUND

This innovative compound is designed to quickly remove P800 grit scratches from gel coat and painted surfaces for marine and industrial applications. PMC™ Production Compound is water-based and easy to cleanup. Significantly reduces sanding and buffing time.

Size **1 gal.** Order # **164001**

SUPER CUT COMPOUND

Aggressive compound easily removes P800 grit and finer scratches and oxidation. Use with 100% white wool pad for heavy oxidation. Contains no waxes or fillers.

Size **32 fl. oz.** Order # **134532**
Size **1 gal.** Order # **134501**

GEL COAT

Easily removes P1000 grit and finer scratches and oxidation. Immediate cutting action won't overheat the surface, making it the ideal choice for marine gel coats. Use with 100% white wool pad for heavy to medium oxidation. Contains no waxes or fillers.

Size **32 fl. oz.** Order # **138532**
Size **1 gal.** Order # **138501**

ULTRA CUTTING CRÈME LIGHT

The perfect compound for light damage and swirls. Ultra Cutting Crème Light is designed to remove P2000 grit and finer sand scratches from any painted surface - from soft, freshly painted to fully cured. For best results use with yellow wool buffing pad. Contains no fillers, waxes or silicones. Follow with Presta Swirl Remover for a flawless finish in just two steps.

Size **32 fl. oz.** Order # **133432**
Size **1 gal.** Order # **133401**

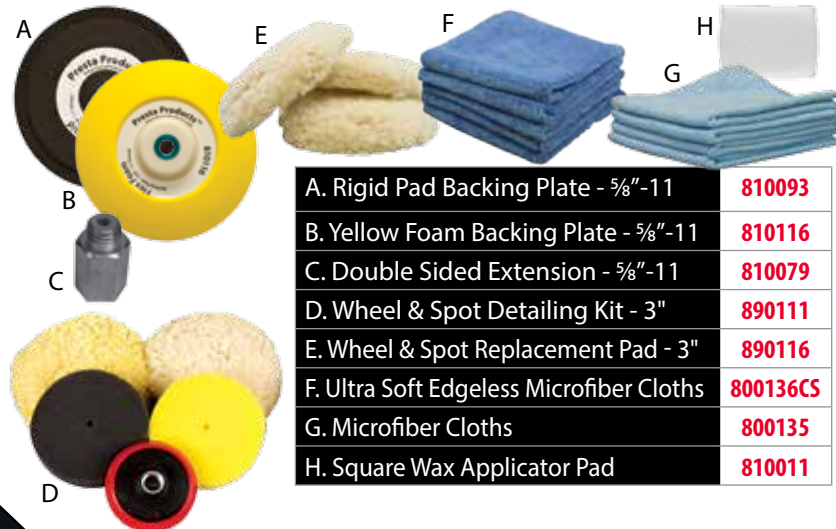

ULTRA POLISH

Removes minor surface imperfections and light oxidation from marine gel coats. With no waxes, scratch-fillers or silicones, it creates an extremely high-gloss finish that won't wash away.

Size **32 fl. oz.** Order # **133532**
Size **1 gal.** Order # **133501**

NEW!

PACE™ PAINT FINISHING SYSTEM KIT 133090S

PACE™ Paint Finishing System is a one-step process that's easy to use, reduces inventory, uses less product and eliminates the guess work. Designed to work with an orbital polisher, PACE allows users to cut P1500 sand scratches and finish without swirls. The great cutting power and polishing action lets you use less sand paper, saving time and money. Coupled with its ease of use, technicians will see cycle times improve ... and that means more production out the door.

- 16 fl. oz. PACE™ Heavy Cut Compound #133116
- 16 fl. oz. PACE™ Medium Cut Compound #133216
- 16 fl. oz. PACE™ Ultimate Polish #133316
- 16 fl. oz. Protective Glaze #133716
- PACE™ Purple Foamed Wool Heavy Cut Pad (6.25") #890197
- PACE™ Grey Foam Heavy Cut Pad (6.5") #890194
- PACE™ Orange Foam Medium Cut Pad (6.5") #890195
- PACE™ Black Foam Ultimate Polish Pad (6.5") #890196
- Foam Pad Conditioning Brush #890080
- 5 Ultra-Soft Edgeless Microfiber Cloths #800136
- PACE Poster

PACE™ HEAVY CUT COMPOUND

It is a correcting and polishing compound that removes up to P1500 sand scratches.

- Polishes to a deep gloss in one step
- Reduces cycle times
- Specially formulated for use with dual-action orbital polishers
- Contains no fillers, waxes or silicones

32 fl. oz. #133132
 16 fl. oz. #133116 **B** **T** **W**
 8 fl. oz. #133108

PACE™ MEDIUM CUT COMPOUND

It is a correcting and polishing compound that removes up to P2500 sand scratches.

- Polishes to a deep gloss in one step
- Reduces cycle times
- Specially formulated for use with dual-action orbital polishers
- Contains no fillers, waxes or silicones

32 fl. oz. #133232
 16 fl. oz. #133216 **B** **T** **W**
 8 fl. oz. #133208

PACE™ ULTIMATE POLISH

Can be used as a one-step finish for enhancing the appearance of a RV where light correction with a deep gloss is desired.

- Can also be used as a final step after PACE™ Heavy Cut Compound or PACE™ Medium Cut Compound to achieve a deep gloss
- Specially formulated for use with dual-action orbital polishers

32 fl. oz. #133332
 16 fl. oz. #133316 **B** **T** **W**
 8 fl. oz. #133308

PACE™ PROTECTIVE GLAZE

A breathable and durable product that is an ideal last step in the PACE™ Paint Finishing System process. This advanced formula goes on easily and wipes off quickly, producing a deep, long-lasting gloss.

- Beautifies and protects freshly painted surfaces
- Allows surfaces to fully cure without causing solvent pop
- Can also be used to heighten gloss on nonrepaired RV areas, making it ideal for pre-delivery prep

16 fl. oz. #133716 **B** **T** **W**

PRESTA®-BRANDED FLEX ORBITAL POLISHER

Presta has partnered with FLEX to bring you one of the leading and most innovative dual-action orbital polishers. Ideal for use with the PACE™ Paint Finishing System. The FLEX XC3401VRG orbital polisher's smooth acceleration and uniform, controlled motion makes it ideal for novices and pros alike.

- Box and machine will be co-branded Presta and FLEX
- Machine will come with a 5½" backing plate that will work with the 6.5" pad
- 1-year warranty

Orbital Polisher #890009

B = BODY SHOP SAFE **T** = VOC COMPLIANT **W** = WATER-BASED

7 SIMPLE TIPS FOR KEEPING A SHIP SHAPE BOAT:

- Invest in good tools like a buffer, wool and foam pads, brushes and microfiber cloths. Presta has pads and accessories that handle a wide variety of needs and preferences.
- Start with clean surfaces and begin with the least aggressive product. Use Ultra Concentrated Boat Wash for general cleaning and Hull & Deck Cleaner for tougher jobs.
- Do not use wax on non-skid surfaces as waxing can make them slick and slippery! Hull & Deck Cleaner is perfect for cleaning non-skid surfaces.
- Buff, polish & protect surfaces that are exposed to the elements. Re-treat as needed throughout the season. Use aggressive PMC™ Complete Compound for P600 and finer sand scratches (heavy oxidation). Gel Coat Compound works for P1000 sand scratches (medium-light oxidation).
- Keep the boat deck free of debris that can damage the gel coat. Use Hull & Deck Cleaner or Express Detailer for tough jobs to keep the boat clean & shiny!
- Clean & protect the cockpit and cabin surfaces including benches, metal, isinglass and other plastic surfaces using Presta:
 - Vinyl & Plastic Cleaner
 - Vinyl & Plastic Conditioner
 - Glass Cleaner
 - Express Detail
 - Nano Cleaner Wax
 - Leather Protectant
- To protect your boat from stem to stern, use Presta's UV Crème Wax for season long protection.

KEEPING YOUR RV LOOKING LIKE NEW:

It all starts with washing your RV. Presta's Ultra Concentrated Boat Wash is a high-foaming liquid wash that can be diluted 1:400 – so it lasts! For dirtier jobs, start with Hull and Deck Cleaner – a non-caustic cleaner that can remove dirt and grease from Fiberglass, metal and painted surfaces – then follow it up with Ultra Concentrated Boat Wash.

For light-to-medium oxidation, the PACE™ Paint Finishing System will get the job done. Depending on the level of oxidation, use the PACE™ Medium Cut Compound with the PACE™ Orange Foam Medium Cut Pad on a dual-action orbital polisher. Then follow up with PACE™ Ultimate Polish and a PACE™ Black Foam Ultimate Polish Pad if you need that next level of exceptional gloss.

If you have heavy oxidation, PMC™ Complete Compound on a rotary buffer with our Black and White Wool Pad works best. You can add on PMC Finishing Polish for a rich, deep gloss.

Once you've got the outside of your RV looking good, it's time to protect it. Presta's UV Crème Wax provides long lasting shine and UV protection in one easy step. Its advanced technology polishing agents and waxes create exceptional protection against corrosion and ultraviolet rays. It can be applied by hand or with a dual-action orbital polisher and Black Foam Ultimate Polish Pad.

To finish off the other surfaces, you can use Presta:

- Express Detail for general cleaning
- Nano Spray Wax for general cleaning and added protection
- Nano Cleaner Wax to remove black streaks, water marks and light oxidation
- Leather Protectant for interior surfaces
- Aerosol Glass Cleaner

ULTRA CONCENTRATED BOAT WASH

Phosphate-free and biodegradable high foaming liquid wash produces foam that lasts the whole wash. Highly concentrated. Dilute 1:400.

Size	32 fl. oz.	Order #	166232
Size	1 gal.	Order #	166201

HULL & DECK CLEANER

Phosphate-free and biodegradable powerful cleaner designed for flat and non-skid surfaces. This highly concentrated, non-caustic and aluminum-safe cleaner removes dirt and grease stains and streaks from fiberglass, metal and painted surfaces.

Size	22 fl. oz.	Order #	166022
Size	1 gal.	Order #	166001

METAL POLISH

Contains micro-abrasives to remove surface oxidation without scratching or damaging metals. Use on chrome, aluminum, stainless steel and other metals.

Size	16 fl. oz.	Order #	166516
------	------------	---------	--------

EXPRESS DETAIL

Removes dust, smudges, water spots and fingerprints while leaving a bright, glossy shine on glass, metal and exterior finishes.

Size	22 fl. oz.	Order #	166622
------	------------	---------	--------

UV CRÈME WAX

Provides long lasting shine and UV protection on fiberglass, gel coat and painted finishes in one easy step. Advanced technology polishing agents and waxes combine with dual functional UV absorbers, silicone resin and polymers to create exceptional protection against salt, corrosion and ultraviolet rays.

Size	16 fl. oz.	Order #	166116
Size	1 gal.	Order #	166101

NANO CLEANER WAX

Nano-sized polishing agents restore brilliant gloss to weathered, fiberglass gel coats. Removes light oxidation, contaminants and minor imperfections while adding a silicone polymer wax for shine and protection.

Size	32 fl. oz.	Order #	166832
Size	1 gal.	Order #	166801

LEATHER PROTECTANT

Forms a protective barrier that helps resist initial staining. It restores a satin gloss to the surface, and contains a UV inhibitor. Helps prevent oil and water-based stains. Allows for easy cleaning of markings that are able to form on surface.

Size	32 fl. oz.	Order #	167232
------	------------	---------	--------

VINYL & PLASTIC CLEANER

Powers away grease, grime, mildew and dirt from vinyl, rubber, plastic and leather. This ready-to-use formula penetrates deep into the pores to remove deeply embedded soils and leaves surfaces clean and film-free.

Size	22 fl. oz.	Order #	166322
------	------------	---------	--------

VINYL & PLASTIC CONDITIONER

Protects and beautifies vinyl, plastic, rubber and leather. This premium enhancer helps revive faded and hardened surfaces. It leaves a high-gloss protective barrier that helps seal out the damaging effects of sun, age and use.

Size	22 fl. oz.	Order #	166422
------	------------	---------	--------

AEROSOL GLASS CLEANER

Phosphate & ammonia free, this biodegradable formula removes dirt, grime, oily films, salt water residue and bird droppings. Leaves glass, tinted glass, mirrors, chrome, stainless steel and more spotless and streak-free.

Size	19 fl. oz.	Order #	166920
------	------------	---------	--------
