

TIRE & VINYL SHINE™

DRESSING & PROTECTANT

WIZARDSPRODUCTS.COM · COMPLETE PRODUCT INFORMATION

FEATURES:

- Water-based, non-toxic formula.
- Restores luster and shine to inside and outside vehicle surfaces made of vinyl, leather, rubber and plastic.
- Forms a dry, non-greasy, anti-static, protective shield with UV protection from the sun's harmful rays.
- Will not transfer to clothing from seats or any treated surfaces.
- High or low gloss dependent on application.
- Easy to remove from surfaces prior to painting.

HOW TO USE:

Clean surface first. Shake product lightly and apply to a cool, dry surface. Spray directly onto surface or cloth/foam applicator pad and apply evenly. Buff with a clean cloth, if desired. Gloss levels will be determined by the amount of product applied (more product, more gloss); the dry time (drying completely before adding a second coat increases gloss); and the extent of buffing (more buffing means more gloss).

HINT: TIRE & VINYL SHINE™ can be easily removed from vehicles prior to painting by wiping down with a common prep pre-cleaner, such as Prep Sol or Final Wash (grease, wax and tar removers) followed by WIZARDS® WASH #11077. Always avoid spraying TIRE & VINYL SHINE™ near paint stations while painting.

PART NUMBERS & SIZES

PART NUMBERS & SIZES:

Part No. 11055, 22 fl. oz. - 650 ml, 12/case - Net Wt. 21 lbs.

Part No. 11057, 1 Gal - 3.785 liters, 4/case - Net Wt. 35 lbs.

DETAILING · CLEANING · PROTECTION

DESCRIPTION:

WIZARDS® TIRE & VINYL SHINE™ is a multiple purpose dressing and protectant - a one step surface treatment that beautifies vinyl, leather, rubber and plastic surfaces. TIRE & VINYL SHINE™ is an excellent product for use inside the vehicle on steering wheels, seats, dashboards, doors and moldings. Outside the vehicle use TIRE & VINYL SHINE™ to enhance tires, bumpers, moldings and vinyl tops.

BENEFITS:

TIRE & VINYL SHINE™ is a water-based conditioner that, when dry, forms a protective shield to guard against dullness, drying and cracking.

As an added bonus, TIRE & VINYL SHINE™ dries fast to a nice gloss finish. There is never a greasy residue left behind to attract dust and rub off on clothing.

No petroleum solvents to attack cloth stitching on seats or turn tires brown. Will not "sling" off of tires.
